JUNE 9, 2012 / EL CENTRO, CA  
**Progressive Handgun 1; Fighting Foundation**

JUNE 10, 2012 / EL CENTRO, CA  
**Progressive Handgun 5; Low-Light Engagements**

*Course/Daily Student Tuition: \$200.00  
\$175.00 for LE/Mil personnel*

### **Progressive Handgun 1; Fighting Foundation**

PH1 represents the cutting edge of combative pistol shooting with an emphasis on concealed carry applications and personal defense scenarios. Training topics include the Handgun System & Support Gear, Use of Force, Fundamentals of Shot Placement, Combative Marksmanship, PFC Shooting Responses, Ready & Carry Positions, Presentations, Administrative & Combative Gun-handling, System Refunction Drills, Bilateral Weapon Operation and After-Action Ready Measures. 8:30am-5:30pm.

### **Progressive Handgun 5; Low-Light Engagements**

PH5 provides students the latest fight winning principles, tactics and techniques for deadly force personal defense in low-light environments. Training topics include the Principles of Low-Light Combat, Light Selection, Carry & Use, Flashlight-Assisted Shooting Techniques, Flashlight/Weapon Manipulations, Low-Light After-Action Assessments, Barricade Tactics & Reactive Movement Review, Low-Light Movement Drills, and Low-Light Tactical Shooting Exercises. 8:30am-5:30pm. *Prerequisites: PH1 or approved equivalent course of instruction from a recognized training provider.*
